### How to Use This Catalog

This catalog covers popular replacement parts offered by Tarheel for customers in the poultry processing industry. The catalog is divided into the following seven key sections of the processing plant:

- **Picking**
- **Evisceration**
- **Chilling**
- **Cut-up**
- **Debone**
- **Further Processing**
- **Packing**

In each section, the OEM manufacturer brand is presented alphabetically, with parts listed and pictured by ascending Tarheel part number within.

**Many More Parts are Available from Tarheel**

This catalog features just the most popular replacement parts we offer. We carry hundreds of additional replacement parts, too. If you don't see your replacement part listed in this catalog, please contact us. Chances are, we have it in stock – and if we don't, we may be able to find it for you.
